- Role – Joint Camp Chief
- I am looking forward to being the Joint Camp Chief of WSIJ2025 and welcoming you all to the camp. Having first attend WS as a Ranger, I have attended as a leader bring Guides from my unit 1st Cowfold Guides, where I was an assistant until I become County Commissioner in 2017. Having finished my County Commissioner role I now help with 1st Partridge Green Guides, whilst continuing to be Snowy owl with 3rd Henfield Brownies, where I started off as a Pack Leader to gain my BP Trefoil (as it then was). I enjoy the fun, adventure and opportunities we off our young members as well as the opportunities we get as adult volunteers, from taking part in the Lord Mayors Show to parading at the Cenotaph. I have always loved camping and being outdoors.
- In my working life I am a qualified Farm Secretary working on the same Dairy farm locally 1 day a week, with the other 4 for an accountancy group. I like reading especially crime fiction and swimming when I get a chance.
